

A Yes. The income and there is some stock from Ox Fibre and I got the quotation on that just the other day, yesterday, at \$36.00 a share for 110 shares. I have never seen the certificate.

Q (Bennett) How many shares?

A 110 but I have never seen the certificate. I know the income as one of the shareholders was from Ox Fibre for \$192.50 last year on that stock. Was 110 shares I am sure<sup>of</sup>/that.

Q Never seen the certificate. Sure he was the owner of 110 shares and was included in the estate.

COURT: Do you have a safety deposit box?

A I don't think so. There is some such object up at the house. Don't know it was necessary going through some of his papers.

COURT: What are the various sources of income?

A There is \$500.00 a month for rent of Storm & Shipley's a month. \$114.00 a month from the Ox Fibre for the stocks; \$614.00 a month expenses and insurance to pay on. He has Windabona bill; which runs from \$100.00 for things as oxygen; medicine which runs sometimes \$18-\$19 a week which I thought was exorbitant. I inquired about to have an itemized statement but didn't. It seems I raised so much question to it though they lowered the price down to \$12-\$13 a week.

Q (Bennett) What is the average expense there a week for his care?

A Average about is \$110-\$120 a week. He has<sup>a</sup>/room with another person, too. The flat rate is \$75.00 a week.

BENNETT: All right, that is all I have. Your Honor,  
I thought you might like to hear what an  
appraiser might add and I have called Mr.  
John L. Ponton to appear.

COURT: All right, have him called and sworn as a witness.

-----  
JOHN L. PONTON, was called as a witness, and after being  
duly sworn, deposes and says:

By Mr. Bennett:

Q Mr. Ponton, your full name is John L. Ponton?

A That is correct.

Q You are an appraiser in real estate and an auctioneer? A. Yes.
